

## **Pat Purdy, Artist**

I am basically an abstract artist, who loves to experiment with different materials and techniques. I mainly work with acrylics, resin and acrylic pours. I have also worked with alcohol ink, acrylic ink, watercolour, mixed media and encaustics.

I relocated to Perth (home for me) from Cobourg, Ontario and Winnipeg, Manitoba. In Winnipeg I won the Betty Andrich memorial award at the 2005 Red River exhibition for best acrylic abstract work. I showed extensively in Winnipeg in group and individual shows. I participated in the Manitoba art expo, for several years. My work is in several business locations in Winnipeg, MB. Notably Alpine Animal hospital, Gillespie vision centre and private residences. I am a past juried member of the Manitoba Society of Artists, MSA.

In Cobourg I participated in a number of juried shows (the Northumberland Art Gallery, Colborne Art Gallery, Impresario Nuwork art show and Warkworth maple syrup festival). I also participated in the 2013 Northumberland Hills studio tour. While in Cobourg my work was published in Nuwork and Watershed magazines.

I was the featured Humm artist in April 2016. I was top selling artist at the Grist Mill art gallery (Westport, On.) and have shown successfully at Local Colours fine art Group (Perth), Paint the Summer (Perth), Holly Jolly Art Sale (Perth), Art in the Barn(Lombardy), Art Works!Perth studio tour and Arts Carleton Place art shows.
