

Artist Bio: Sandy Armstrong (Mougeot) “Sam”

I've been painting for over a dozen years and I find that I am learning every time I work on a new canvas. I love vibrant colours and it's safe to say that I'm not afraid to create with them. At the beginning of my art journey, my medium of choice was oil. Since then I have been working in acrylic for the past seven years.

My work is quite varied. While my passion has been and always will be flowers, I love to create landscapes and I'm constantly searching for that perfect scene when I'm driving around Eastern Ontario. Every so often, usually twice a year, I also gravitate to abstract art. This is when I can truly release my feelings.

I am a member of Arts Carleton Place, The Manotick Art Association and the West Carleton Arts Society. I am very proud to say that I have sold my first painting with Studio 87 in Perth and hope to show more of my work this coming spring and summer.

Many of my paintings can be found in private collections in: Ottawa, Orleans, Kanata, Carleton Place, North Gower, Manotick, Kemptville, Pembroke, Newmarket and in Lynchburgh VA (USA). In Quebec: in the municipality of Mulgrave & Derry and the municipal of Mayo and Perkins.
